

Air Cooled Facts

If a furnace required a high degree of heat to accomplish a given result, would you put a water-jacket around the furnace to cool it? Then why do it in an automobile?

A gasoline engine makes power by turning gasoline into heat. The hotter you can run it without igniting your lubricant, the greater efficiency you get out of your fuel.

The Franklin air-cooled motor normally runs at about 350 degrees, not enough to get high efficiency out of the gasoline but cool enough to be well below the burning point of oil.

A water-cooled motor does not normally get hotter than 212 degrees; at that temperature the water boils away and there is trouble. Hence all water-cooled motors are under a heavy handicap, because they work at about 138 degrees below the point of maximum efficiency.

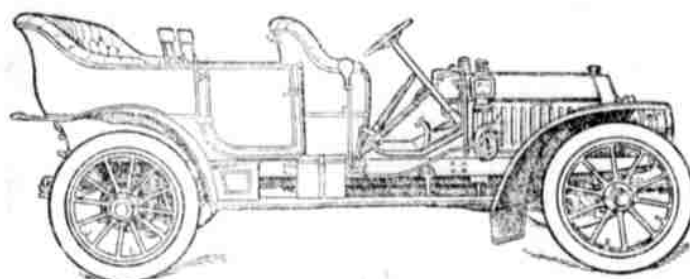

The Franklin motor car gets more actual going-power out of a gallon of gasoline than any other automobile. That means low running expense.

Franklin light-weight means tire-economy. Franklin construction—laminated wood frame and nickel steel parts—means repair-economy. Combine all these advantages and you have the motor car that you can afford to own.

Franklin Air-Cooled cars are run with the greatest of success for months in Summer in New York, Chicago and other places where the thermometer goes higher than it ever does in these Islands, and they have proved the right car for the hottest as well as the coldest localities. Ask the Honolulu users of Air-Cooled Franklins whether they keep cool on the hottest days or not. They will tell you.

EDITED BY CHARLIE ALBRIGHT

CHINESE ALOHA, JR., WIN FROM ASAHI

Two Good Ball Games
At Aala Park
Yesterday

Outside of the usual kicks from the losing teams on the decisions of an umpire, there was no riot at Aala Park yesterday and the teams from the Riverside Junior League pulled off its two games without any interruption. The first game of the day was a contest between the Chinese Alohas Jr. and the Asahi A. C. In this game the Chinese team gave the little brown men a hard rub and managed to defeat them by the score of 10 to 8. This is the game that caused lots of trouble about the umpire's decisions, and it is safe to say at this time that another of those foolish protests will not be filed by the Asahis, who lost the game. It would be a better policy for the league officials to throw out all such protests on an umpire's judgment, so as not to encourage them.

For four innings the sons of Nippon had a good lead against the Alohas in this game, but at the end the Chinese got the best of them. Both of the pitchers did good work and credit is due to the management of the teams. The batteries were: Chinese Alohas Jr., Atona and Tom Yen; Asahis, Tetsuji and Togozo.

The second game between the Oriental A. C. and the Sweet Violets furnished a good baseball treat to the spectators present. The game was well played throughout, with the exception of Lani at third, who had four errors chalked against him. It was real baseball and everybody enjoyed it.

This game started with the Orientals at bat and the Violets in the field. Hong Chack was the first man up and he died, pitcher to first. Ahoy went out on a foul fly to the catcher. Sing Tai struck out. It was not until the second inning that the Orientals scored. Loo Hon flew out to the pitcher and L. Chuck out, pitcher to first. Ahong was the lucky man, as he got to second on a poor throw of Lani at third. Ah Nap reached the initial bag by an error of Kualli at first, and Ahong scored on this play. Chew finished this inning by going out, Lani to Kualli. It was not until the sixth inning that the Orientals scored again and this time three men came home.

The Sweet Violets awoke in the last half of the sixth inning. Peterson was given a pass by Chuck and went to second on a balk by the pitcher. Kualli went out from second to first. Flores got first on a fumble by the shortstop. Lani hit safe over third and scored Peterson, but was forced out at second by a hit by Riley. Ako ended this inning by going out from pitcher to first. In the eighth inning four runs were scored, and this was when Ahoy came in the box for the Orientals. The game was finally won by the score of 5 to 4.

The score and line-up of the two games were:

MAILS DRAW; BUT WIN CHAMPIONSHIP

By drawing the last game of the local association football league, the Mails became the champions of the season last Saturday. The Y. M. C. A. team showed wonderful improvement over former games, and it was a nip-and-tuck battle throughout. The Mails only needed a draw to hold the championship, and, as the game was scoreless, they are the proud possessors of the pennant for this season.

The season records of the two teams are as follows:

Mails—Played, 7; won, 4; lost, 0; drawn, 3; goals for, 14; goals against 5; points, 11.

Y. M. C. A.—Played, 6; won, 1; lost, 4; drawn, 1; goals for, 4; goals against, 15; points, 3.

The teams were:

Mails: Goal, J. J. Belser; full backs, J. C. McGill, R. Anderson; half backs, E. Davis, Achieu, H. Chillingworth; forwards, H. Gray, W. Craik, E. Andrews, Dwight, H. Bailey.

Y. M. C. A.: Goal, Rickard; full backs, Greig, Swift; half backs, Ewing, Dixon, Robbins; forwards, J. Woo, L. G. Blackman, J. Anderson, Geo. Waterhouse, J. Macconel.

Referee: J. H. Fiddes.

Linesmen: I. Spalding, E. Grune.

Candy Boy, J. Palua, won from E. H. Lewis' Mallett, Harry Lewis up, last Saturday on the Kapiolani Park race track by two and one-half lengths. The time was 38 seconds and the purse was \$400. Much interest was evinced in the pretty race, and it is likely that the track will be repaired and racing be revived here.

CHINESE TEAM DEFEATS KAALAS

Best Game Ever Seen
On A Honolulu
Diamond

The game played yesterday at Aala park between the C. A. C.'s and Kaalas was one of the most interesting games ever played in Honolulu. The score was tied in different stages of the game and in the ninth inning, when there was just one run to decide the contest, and there were two outs, and the man at bat had three balls and two strikes chalked up against him, and the next ball from the pitcher meant victory or defeat. It was then that a deathlike hush fell on the thousands of spectators who looked on in deep silence, taking intense interest in the outcome.

The game was one that will go down in history as a record game for close playing and large attendance.

Among the number present were Col. Sam Parker, U. S. Commissioner Geo. A. Davis, Hon. Chas. F. Chillingworth and officers of the many sporting organizations.

The County band added to the afternoon's entertainment. The remarkable manner in which the police handled the large crowd is worthy of the highest praise. These men do their duty in such a diplomatic manner that no one questions their authority and every one submits to their wishes. Chief of Detectives A. P. Taylor was also present and was pleased with the behavior of such a large throng of people.

The Chinese team finally won out by the score of 9 to 8. Here's the story in detail:
